

On your first visit you will not be under any obligation to join nor to undress. It is your choice about how you get acquainted with the naturist way of life.

For your first visit we suggest you bring a picnic meal, something to drink, a hat, towels, sunblock and perhaps a good book so you can enjoy a whole day at Rapere.

If after your first visit you are not sure about joining our club you can visit again before you make your decision.

Activities.

At Rapere we enjoy swimming, games, picnicing, chatting with friends, sunbathing, lazing in a warm sunny spot, or perhaps in a cool shady spot.

We organise social functions, barbecues, parties and dinners at Rapere, and on occasions beach trips and restaurant outings. Sometimes these are dressed occasions when we can invite friends.

Since taking over the property in 1963 all of our facilities have been constructed by our members. To keep our subscriptions reasonable we do our own maintenance and construction ourselves. No one is obliged to help, but most find the effort very satisfying.

Membership.

Our club is family oriented with a good balance between younger and older couples and single people. Total numbers vary, but is usually between 50 and 100 adult plus children.

Our Club

Hawke's Bay Naturist Club is a registered Incorporated Society owned and run by our members. Annual and Half Annual general meetings are held to elect our Officers and committee, decide policy and discuss members ideas and concerns.

A committee meets monthly and whenever else necessary to manage day to day club affairs. All members are welcome to attend these meetings except when confidential matters are being discussed.

Affiliations.

We are affiliated to the N.Z. Naturist Federation and the International Naturist Federation. Our members receive an international passport which allows them to visit any other affiliated club worldwide.
