Still in doubt?

It is very likely that there are quite a few questions you would like to ask about Pineglades Naturist Club, membership, subscriptions and so on. You are most welcome to contact us on the phone number below. All enquiries are treated in the strictest confidence. After having a chat with a committee member, in person or over the phone, the way is open for you to arrange an informal visit to the club grounds. Why not take the opportunity of seeing for yourself the happy atmosphere prevailing at Pineglades.

Why Not Join Us at Pineglades Naturist Club The Home of Canterbury Naturists

Come and see what social naturism
is all about and shed your stresses
with your clothes.

We would like to show you our club. Join us for a swim, spa, play miniten (our own game of tennis), tenniquoits or just simply relax and socialise.

Bring your picnic lunch and spend the day with us. Join us for a drink at Happy Hour on our clubhouse deck, then have a BBQ with us (buy a meat pack from the shop).

And of course, don't forget the sunscreen, hat and T-shirt. As naturists, we promote a healthy lifestyle and this includes protecting ourselves from the dangers of skin cancer. Also, for hygiene reasons, bring a towel to sit on.

As guests, we do not expect you to shed your clothes on your first visit (unless you want to), unless you wish to use the pool or spa.

We want to show you how we can enjoy ourselves without the restriction of clothing.

Family groups are especially welcome. Children have a fantastic play area, with a fort, slides and swings. As well there are two trampolines and a sandpit. The children also have their own "clubhouse" where they can play when it is wet

Our new barbeque area is a meeting place to socialise over a drink while cooking your dinner.

Petanque is another pastime that we all enjoy.
