Editor's Piece.

With last weekend putting on good weather for us and the games enjoyed by all we can now start thinking about spring, blossoms, daffodils, warmer weather and daylight saving not far away. With our working bee on September 12th to put the finishing touches to projects and a general tidy up ready for the opening of another season of fun and games.

Did you note the wording on the 'go natural' logo. The wording has been changed from "grin and bear it" to 'for health and well being' which is now being promoted throughout the NZNF.

It has been put to the Committee to have weekly BBQ's instead of 2 per month, to allow for those members who are unable to attend on other nights. Now everyone should be catered for at some time or another, so hopefully we will see you all out there enjoying yourself. The spa will be going and once warmer weather sets in the pool will also be available.

Hope you all have an enjoyable month and we look forward to seeing you at the working bee

Indoor Sports Weekend

Hi All

We couldn't have picked a nicer weekend for our indoor sports, some time able to be spent enjoying the sun and then of course our lovely warm fire. The sports were table tennis, indoor bowls, 8 ball and darts. The table tennis provided much hilarity, some of us had problems even seeing the ball, definitely lacked the agility required to (a) hit the ball, or (b) retrieve the ball from under chairs, couches or even other rooms. Nobody managed to hit it outside and the tournament was eventually won by Graeme.

The 8 ball was being played at the same time!! Made for some interesting manoeuvres around the players and the 8 ball table was about the only area that the table tennis ball did not land on. Bruce was the winner of the 8 ball and also the winner of the darts game. Some of us have no idea how to play or score but there was some very creative play with the light fitting in particular coming in for a very hard time. The bowls was hotly contested, a mixture of those who have never played and those who have played lots. A combination of a very fast mat and runaway balls made for an interesting game. Keith and Heather won, though I don't think Heather would have passed a breathalyser test. Tea was fish and chips – very yummy and rounded off with ice creams from the 'shop'. Thanks Kobie for keeping that freezer well stocked with our favourites.

All in all a great weekend, thanks to everyone who came and joined in the fun.

Memorial

On Saturday 15th August Beverley Morris and family members visited WOS to honour Roger Morris's wishes to scatter his ashes on the grounds at WOS.. Along with his family there were a few of WOS members who also participated in the memorial. His mother said a few words followed by Bruce on WOS behalf. His ashes were scattered around the base of the Kowhai tree and a family member placed a flower beside the tree. The family left the grounds in a happy and restful mind, knowing that Roger's is now at peace.

Inner Peace this is so true

If you can start the day without caffeine,
If you can always be cheerful, ignoring aches and pains,
If you can resist complaining and boring people with your troubles,
If you can eat the same food every day and be grateful for it,
If you can understand when your loved ones are too busy to give you any time,
If you can take criticism and blame without resentment ,
If you can conquer tension without medical help,
If you can relax without liquor,
If you can sleep without the aid of drugs,

...Then You Are Probably The Family Dog!
