From the President.

Winter fun continued at WOS with an indoor sports day. We had a good turnout, it was all in good fun and a great time was had by all. Followed by happy hour, the final sports then fish and chips. An easy meal without tying anybody to the kitchen. Then it was time to relax in the spa pool. No takers for the swimming pool (strange that). Sunday morning we enjoyed porridge for breakfast, thank you Gail. A good start for a winters day before people hit the road to go home.

Work continues at the club. The cabin has had its final inspection for code compliance. We now have our new TV on the wall with terrestrial Freeview. We also have the satellite dish working, so we can use a sky decoder when required. The "odd" taps in the kitchen have been replaced with a faucet. Of course the gardening and work on the grounds has continued. So our place is looking good!

If you are intending to attend the NZNF rally at AONC over new year. Applications must be in and paid by 30 September for the early bird discount. Being in Auckland it's about as close as it gets. I'm booked in, I'm just looking for my support crew!?

After the cold nights we have been having, it's about time Jack Frost took a hike and Ra, (ancient Egyptian sun god) made an appearance and worked some magic.

Cheers naturally
John Bowers
President

On September 10 it is Ladies Day & Afternoon Tea. The men will make the afternoon tea while we enjoy a massage, foot spa and hand and nails done. It will be a great relaxing time. On the 27 -28 August is a Textile weekend as the Freewheelers are staying on the grounds. You are still welcome to attend the Club as the Freewheelers are doing their own thing, so don't need any assistance from us.
