## From the Editor

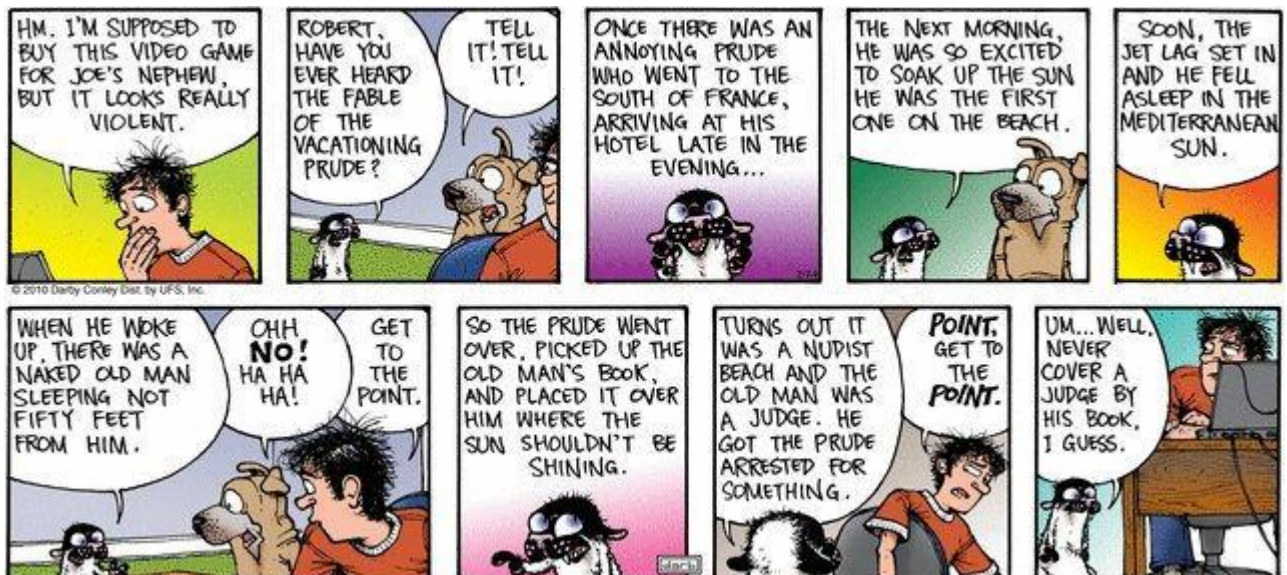

We certainly had another enjoyable Mini Rally with great weather to help it along. It was certainly good to have members from the NZNF executive in attendance who were introduced to the members and they also enjoyed themselves with one or two of them taking home some prizes. Now the members in attendance have met the executive they will now understand where their levy money goes!!

Thank you to all those members who assisted in making the rally run so smoothly. It was certainly a credit to the club co-ordinators and the members. Even some of the Executive have said that they will come back.

Our next event is the Future Directions meeting, to discuss which direction the members would like the club to take. We have finished the clubhouse except for upgrading the kitchen, so it is now a case of our next projects over the next 10 years beside the regular repairs and maintenance. Please come along on Saturday 13 March and put your ideas and opinions forward. Afternoon tea will be provided with a Pot Luck dinner (main) to follow.

Look forward to seeing you at our next event.
