From the President.

Firstly a BIG Thank-you to all who attended the AGM, and your confidence in electing me as President. Having been Treasurer for 7 years, it's good to have a change and it's good to let somebody else have a turn as Treasurer. I know Richard is more than capable of the job. Our committee is quite small, and everybody has a job i.e. nobody is "just" a committee member. So we will be looking for support from members, with specific tasks or projects from time to time.

Our club has continued to develop over the years, and must continue to progress in the future. As President I have "big shoes to fit". The biggest development recently has been the building of the almost completed cabin. It has already proved popular. This was built after a special meeting where members were asked what they saw as priorities for the club. A cabin was number 1 on the list and it is now a reality. Members suggestions are, and will continue to be welcome. We may not be able to afford everything requested, but if something is supported by sufficient members it will be high on the priority list.

Our first regular committee meeting will be held on Friday 10 June at 7.30pm. As always, members are welcome to sit in on the meeting.

Cheers naturally
John Bowers
President

Birthday Greetings May

Best wishes to:

Alby, Arthur, Barbara,
Christine, Keith., Vic P.,
