## From the President.

We are now officially into spring, and only a few days away from daylight saving. So it's time to get your club uniform out of mothballs and give it an airing! We have had quite a few good days for uniform and yes the swimming pool has been in use.

Work continues at the club. The hedges have been trimmed and are looking neat and tidy again. The lawns are immaculate and will be sprayed to kill off that pesky Onehunga weed. We are having a Working Bee on Saturday 8<sup>th</sup> October. We have a few jobs to get done including some spring cleaning. Our club will then be ship shape for visitors. So please come if you can, Many hands make light work☺ All workers get a free lunch, free camping, and lots of fun.

Speaking of visitors we have "gonatural week" in October for the week of Labour Day, including both weekends. We are holding our first BBQ of the season on Wednesday 26<sup>th</sup>, so please invite anybody that may be interested. Perhaps somebody that knows you are a naturist, or may be a friend you share jokes with. This is an open BBQ so let's see a few new faces. You never know perhaps they are interested but don't know how to ask. This may be the invitation they have been waiting for.

Remember for those thinking about the NZNF rally at AONC over new year. Rally fees must be paid in full by 30 September for the early bird discount. I would love to see WOS well represented. Yes it's that time of year when we can put the heater away, get out of the armchair, and enjoy some fresh air at WOS.

Cheers naturally  
John Bowers  
President
